What is the Wirral & Cheshire Cricket Academies?

The Wirral & Cheshire Cricket Academy has been set-up by Brad Donelan a former professional cricketer with Sussex and Somerset CCC and a freelance ECB Level 3 coach. Brad has extensive experience as a coach which includes: Cricket Professional at Birkenhead and Uppingham Independent schools. He has also been Head Coach at Loughborough University and a Cricket Development Officer in Zimbabwe and Western Province in South Africa. He is also a Lancashire scout. The cricket academy employs other coaches three of whom have played minor counties cricket for Cheshire so are very experienced players as well as coaches.

The Academy caters for cricketers of all abilities and also accommodates elite level performance. Players of a good standard at U9 are welcome to attend the U11 session and make the transition to hard ball. A bowling machine is used to bowl the ball from every angle possible, side arm, strength & conditioning and SAQ equipment will be used to develop all cricketers. Each session will involve working in a 1to1 environment. Players will also work on their decision making processes in live nets and 1to1 side arm sessions. A video camera will record their performance and the footage uploaded to youtube so the player, family and friends can view it in the comfort of their own home. With this program we can only accommodate 30 U9's and 24 cricketers for all other sessions. Players need to commit to all of the winter program to gain the most out of the sessions as we cover different areas each week. Payment in full is required for the January - March 2019 sessions.
